

“Hi, I am Ami !
Welcome to
My World...”

"My learning environment..."

"Environment is a tool for children to explore, to provoke, and to learn from".

In Amiwon, the learning environment is rich and allows easy access to the children to different materials, spaces and situations to encourage independent learning. All indoor and outdoor Spaces have been designed to enable children to explore freely and follow their curiosity and interests as they construct their own learning.

“My Teachers care for me...”

Amiown teachers are experienced and loving caretakers who make the transition from your home into our classrooms as smooth and easy as possible. They act as personal cheerleaders to the children and guide them to reach their optimum level of development.

Amiown Teachers are trained and experienced Educators and undergo frequent professional development to keep abreast of latest developments in India as well as internationally in the field of Early Childhood Care.

The entire Amiown team is dedicated to making the Preschool experience more memorable, exciting and enriching for each child.

“Everyday I discover something new...”

At the tender age of three, children are still fairly new to the world. They have an inherent curiosity to know more about the world they live in. At Amiown, we understand the huge responsibility this entails and it is with this awareness that we continually develop our Curriculum - which refers to everything a Child does in the School. The Amiown Curriculum is based on exhaustive research and latest developments in the field of Early Childhood Care and Development. It is also based on daily interaction with and observing children on how they learn and grow best.

“

We nurture our children to be happy, to be able to express themselves freely, to love themselves and others around them, to have a passion for life, to be the best they possibly can. This is not our philosophy and goal but also our reward.

”

“This is where I learn...”

Amiown - the Preschool of the Amity Education Group was established in 2005 with a commitment to nurturing 'happy and lifelong learners'. It currently has campuses in Gurgaon, Delhi, Noida and Ghaziabad with more in the pipeline.

The Amiown Advantage: Amiown's 'Caring Campuses' have spacious, air-conditioned classrooms • Activity Rooms for Art & Craft, Drama, Dance, Music, Yoga & Skating • A Curriculum that allows children to be independent and curious learners • Warm and loving Teachers who act as personal cheerleaders • Lots of Open Running Space where the imagination is set free • A Safe and Secure Environment which replicates the comfort of your home • A Green Environment - beautiful landscaping to bring children closer to nature • Transportation facility available
